Kentucky Orff-Schulwerk Association

2008-2009 Workshop Schedule

What is Orff-Schulwerk?

Orff-Schulwerk is Music for Children – a way to teach and learn music in a noncompetitive atmosphere where one of the rewards is the pleasure of making good music with others.

There is a place for every child, and each contributes according to ability. Orff-Schulwerk is a unique music learning approach where movement, speech, song, and instrumental playing are integrated to teach the elements of music.

Improvisation is encouraged to develop creative thinking. Orff-Schulwerk training introduces students of any age to a lifetime of pleasure in music, whether as participants or informed listeners.
